

Core Competencies:

Amstability provides premier professional services tailored to the unique needs of the U.S. government. Led by a team with extensive first-hand experience as military and government end-users, Amstability brings an unparalleled understanding of the expertise, infrastructure, and protocols required to support mission-critical operations. Core competencies include:

Janitorial Services

- ▶ Full-spectrum interior and exterior janitorial services: floors, surfaces, appliances, restrooms, windows, deep cleaning, sanitization
- ▶ Waste management and environmental services
- ▶ Labor, equipment, inventory

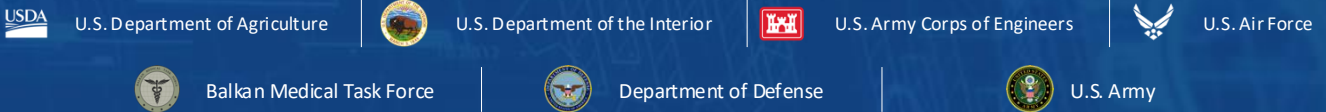

Specialized Technical Services

- ▶ Grounds and maintenance operations
- ▶ Equipment supply and logistics solutions
- ▶ Advanced food service operations and management

Strategic Workforce Solutions

- ▶ Tailored staffing for high-security environments
- ▶ Rapid personnel recruiting, onboarding, and training
- ▶ Performance optimization and team management

Featured Clients:

Differentiators:

- ▶ **Insider Expertise:** Led by former military service members with a deep understanding of high security operational environments.
- ▶ **Rapid Response Capability:** Agility in personnel, equipment, and supply deployment to meet urgent operational needs.
- ▶ **Stringent Quality Assurance:** Extensive personnel vetting process, rigorous QASPs, and continuous industry training.
- ▶ **Innovative Sustainability Practices:** Prioritizing energy-efficient technologies, water conservation, waste reduction and recycling, eco-friendly products, and EPA best practices.
- ▶ **Seamless Integration:** Operating as an extension of client teams, aligning with government ethos, and minimizing disruptions.

Past Performance:

CUSTOMER	SCOPE OF WORK
U.S. Departments of Agriculture, Defense, Interior (2023, 2024)	Delivered comprehensive janitorial services across multiple facilities: inventory and supply; floor care; trash removal; office, window, and restroom cleaning – exceeding customer satisfaction, with no quality or safety incidents.
International Medical Task Force (2023)	Rapidly procured, mobilized, and coordinated logistical delivery of critical supplies to a multinational medical military unit, providing exceptional support in enhancing regional disaster response capabilities.
U.S. Air Force, Andersen Air Force Base, Guam (2023)	Provided end-to-end personnel management for major construction project by filling 100% hard-to-staff positions and facilitating seamless integration with Prime contractor.
